LUXURY GRILLS & OUTDOOR KITCHENS

AS ANY TRUE CONNOISSEUR KNOWS, only the perfect combination of elements will create something exceptional. Since 2001, Vintage has been that synthesis of style, versatility and performance.

Vintage products have evolved through each incarnation and we have used our experience to become the ultimate outdoor cooking and entertainment brand.

From remarkably powerful grills and side burners to complete beverage service and refrigeration products, the Vintage brand speaks of the finest craftsmanship and design. The Vintage Outdoor Kitchen offers cooks of all levels the power to create extraordinary meals in an open-air environment.

30" VBQ30GBN

GAS GRILL HEAD FEATURES AND OPTIONS

Rotisserie

The Vintage™ rotisserie system features 15,000 BTU or 18,000 BTU flush mounted infrared burners, a heavy-duty stainless steel spit & tine assembly and electric motor for hands-free operation.

Sear Zone

27,500 BTUs of power delivers steakhouse searing. The U-shaped grates channel fat away from burner to prevent flare-ups while the ceramic infrared burner gives your steaks a beautiful, savory crust.

Available on 36", 42" and 56" gas grills, or as a Sear Side Burner (see next page).

Vintage Smoking System

Our smoking system uses a drawer that pulls out from the control panel and is equipped with a 7,000 BTU smoker burner. No need to remove grates to re-load a smoker box. Just pull the drawer out and add your chips!

Not available on 30" Builder, or 36" models.

CART SYSTEMS

If you are short on space or just want to have a superior grill at your disposal, Vintage offers a line of carts to fit your gas grill head. Carts are available in 30", 36", 42", and 56" models and are for gas grill heads only.

Standard Cart

- French doors
- 304 stainless steel construction
- Side shelves
- Ample storage space
- Available for 30", 36", 42" and 56" gas grill heads only.

Deluxe Cart for 42" Grill

- Two drawers and one door for storing all your utensils and grilling accessories.
- 304 stainless steel construction
- Side shelves

POWER MAXX BURNER

The Vintage™ Power Maxx burner is for all of your BIG jobs. For crab boils, wok cooking, paella and much more, the 24" Power Maxx burner gives you 65,000 total BTU of heat over a large surface.

- Heavy duty 3/8" grates to accommodate large pots.
- Independently controlled ring burners.
- 304 stainless steel construction.
- 20,000 BTU central brass burner.
- 35,000 BTU stainless steel outer burner.
- Heavy-duty stainless steel cover included.

VPMAXX24 Power Maxx Side Burner

VGSZ Sear Side Burner

VSB2G Side Burner

VINTAGE™ SIDE SEAR BURNER

With a heat output up to 1,700 degrees the side sear burner is the ideal accessory for quickly searing steaks, tuna or any recipe that requires an ultra-high heat source. With our stainless steel U-grates atop a ceramic infrared burner, excess fat is directed away from your food and leaves you with beautiful grill marks.

- 27,500 BTU ceramic infrared burner
- Stainless steel U-grates
- 9-volt electric ignition.
- 304 stainless steel construction
- Matching stainless steel cover included.

VINTAGE™ SIDE BURNER

For simmering sauces, boiling beans, caramelizing onions and much, much more, the Vintage dual side burners are the perfect compliment to your Vintage grill.

- (2) 17,000 BTU brass burners.
- Wind protected
- 9-volt electric ignition.
- 304 stainless steel construction.
- 3/8" stainless steel grates.
- Matching stainless steel cover included.

VINTAGE™ REFRIGERATION

Our refrigeration unit with optional tap kit is rated for both indoor and outdoor use. Pop in a keg or store beverages and items for your grill. Everything stays cool regardless of the weather.

- Stainless steel interior resists stains and odors.
- Vinyl coated shelves for easy cleaning.
- No drain required.
- Available with a left or right hinged door.
- Quiet-run, front-vented compressor with 5-year warranty.
- Optional single or dual-tap kit sold separately.
- 770 BTU commercial grade compressor.
- Fully integrated to remain flush with surrounding cabinetry.
- Zero-clearance hinging to allow abutment with surrounding cabinetry.
- Front vented, forced air refrigeration.
- Rated for both food and beverage storage.
- Made in the U.S.A.

HKEG1/HKEG2

Single or double tap kit allows you to chill and dispense your favorite brew. Just purchase a kit with your Vintage refrigerator; installation is a snap.
